OFFENDER GRIEVANCE DETAILS

Description of Complaint: I been told by the Medical Staff that I can't get any medication for my condition which is chronic. Osseo Arthritis due to the fact that I have Hepatitis as well. I was also charge for the appointment, which chronic patients shouldn't been, and didn't even get to see a doctor, I was denied a bottom bunk pass, and I have written Mr. Hunter concerning this mater several times and I haven't gotten any responso. I was also verbally attacked by the Nurse that see me on Friday last. My condition is documented by over 7 doctors, if this matter can't be solved then I have no other choice then to take this matter to Federal Court.

Remedy Requested : To get medication, to get a bottom bunk pass, not be charged for medical visits under certain exceptions, and hopefully to receive an egg crate for my mattress to alleviate some of the pain that I'm going through.
